

2009 / 2010 Procedures for School Bus Pickup and Drop Off

We distribute these guidelines to make the daily routine of dropping off/picking up your children as safe and expeditious as possible. We have drawn upon input from parents, and many years of experience. To ensure the safety of our children, failure to follow these procedures may result in a \$50 fine per incident. These procedures are in place to protect and prevent injuries to children, and to provide courtesy to neighbors whose homes are nearest these areas. Please help us enforce these procedures by emailing us the license tag # of any vehicle violating these procedures. We will report repeat violators to the police. Contact any Westbury board member via board@westburyhoa.org if you have questions or concerns.

Elementary School Procedures

The map to the left (for elementary school dropoff and pickup) indicates **in red, the areas where it is prohibited to park.**

Green indicates where you may park but do not block or park in driveways.

Backing into a parking space at the pool lot is common and preferred as it provides for better visibility when leaving the lot.

Middle & High School Procedures

The map to the left (for middle and high school dropoff and pickup) indicates **in red, the areas where it is prohibited to park. Green indicates where you may park but please do not block or park in driveways.**

You may drop your child off at the wait area on the way out but please be reminded others are also leaving to get to work – do not block the exit! Children should wait for the bus on the exit side of the subdivision to wait for bus pickup – **NOT on any homeowner's properties.** Please use courtesy and instruct your children **not** to walk on any of the homeowners' properties.

PARKING IN FRONT OF THE GUARDHOUSE OR IN ENTRANCE/EXIT LANES IS STRICTLY PROHIBITED. VIOLATORS WILL BE FINED \$50 per INCIDENT.

Please SLOW DOWN. The posted speed limit in our subdivision is **25 MPH.**
