

2011 / 2012 Procedures for School Bus Stops

NOTE: Due to the increase of number of children attending middle & high school, Fulton County has changed the middle & high school bus routes.

We distribute these guidelines to the entire subdivision to insure the picking up and return of your children is as safe as possible. Even if you do not have children in school, the times below show when you will want to plan your commute to avoid high congestion time periods. To ensure the safety of our children, failure to follow these procedures will result in a \$50 fine per incident. Please help us enforce these procedures by emailing us the license tag # of any vehicle violating these procedures. We will report repeat violators to the Johns Creek Police. Contact any Westbury board member via board@westburyhoa.org if you have any questions or concerns regarding these revised procedures.

Please educate your children regarding these new procedures.

PLEASE NOTE: THE TIMES BELOW ARE VALID AS OF AUGUST 4, 2011. Verify your bus stop times with your school or visit Fulton County's bus stop website at <http://westburyhoa.org/schoolbus>

Abbots Hill Elementary School Procedures – Bus 27

The elementary school bus will continue to pickup and return at the pool parking lot. The map to the left (for elementary school pickup & return) indicates **in red, the areas where it is prohibited to park. Green indicates where you may park but do not block or park in driveways.** Backing into a parking space at the pool lot is common and preferred as it provides for better visibility when leaving the lot.

PICKUP TIME at pool parking lot: 6:55 AM

RETURN TIME at pool parking lot: 2:36 PM

Middle & High School Procedures – NEW!!

Taylor Road Middle School – Bus #570
Chattahoochee High School – Bus #306

The map to the left (for middle & high school pickup & return) indicates **in red, the areas where it is prohibited to park. Green indicates where you may park but do not block or park in driveways.** The bus turns around in Eastbourne Ct. At stop #1, children should wait on the corner of 700 Eastbourne Ct. At stop #2, wait on Westbury common property across from Ballentree Ct. At stop #3, wait on Westbury common property in front of the pool. During inclement weather, children closest to the bus stops should wait in their residences to minimize vehicle traffic in the green waiting areas. These changes will improve safety and resolve congestion at the front of the subdivision.

Children riding the bus that live at 100-160 Westbury must walk to the pool to catch the bus.
THERE WILL BE NO BUSSTOP AT THE FRONT OF THE SUBDIVISION. VEHICLES THAT STOP AT THE FRONT OF THE SUBDIVISION FOR THE BUS WILL BE FINED \$50 PER INCIDENT.

Taylor Road Middle School Pickup Times:

Stop #1: 8:21 am, #2: 8:22 am, #3: 8:23 am

Taylor Road Middle School Return Times:

Stop #1: 4:27 pm, #2: 4:28 pm, #3: 4:28 pm

Chattahoochee High School Pickup Times:

Stop #1: 7:45 am, #2: 7:45 am, #3: 7:46 am

Chattahoochee High School Return Times:

Stop #1: 4:00 pm, #2: 4:00 pm, #3: 4:01 pm

Thank you for your cooperation. Contact board@westburyhoa.org with any questions or concerns.
